6. At the fair, the practice firms will be able to trade with private entities (the visitors) as well as other practice firms (exhibitors). For this purpose, we advise the participants to bring invoice, order of payment, order and similar forms along. The CUPS Bank will offer the forms, but only standard ones, unadapted to particular companies. The purpose of CUPS Bank is to enable the practice firms payment transfers on the site of the fair. Please find some details below:
 - a) *All visitors will receive a debit card upon entering the fair:*

The debit card will enable cash payments at the stands. Exhibitors will keep records of private entity purchases, by putting down the number of debit card and the name of the visitor. At the end of the day, the purchases are to be summed and transferred to the training companies' accounts, by filling the order of payment forms (only the recipient, the training company) and issuing them at the your Bank (at home). The total amount will represent your practice firm's daily cash income.

b) When dealing with other practice firms most allow delayed payment (for example 15 days after the invoice is issued). In the case of a practice firm demanding on-site payment, you will issue an order of payment (this time entering the recipient as well as the buyer) at the CUPS bank.

7. Please inform us by **15th February 2023** at the latest about the number of students and accompanying teachers that will come to the fair as visitors, so we can provide the adequate number of debit cards.
